

SECTION 50

General Waste Management Program

- 1. General Waste Management Plan:** These Guidelines aim to provide a tool for waste management planning and promote the development of more coherent and appropriate planning throughout Maul Electric, Inc. When implementing waste management planning it is the responsibility of each individual to follow Maul Electric, Inc. policies and procedures.

Waste management plans have a key role to play in achieving sustainable waste management. Their purpose is to give an outline of waste streams and treatment options. More specifically, they aim to provide a planning framework for the following:

- A.** Maul Electric, Inc. shall estimate the waste that will be generated prior to work being performed so that the need for containers and waste removal can be determined. Trash and scrap materials will be considered waste
 - B.** Waste materials shall be properly stored and handled to minimize the potential for a spill or impact to the environment. During outdoor activities, receptacles will be covered with a tarp to prevent dispersion of waste materials and to control the potential for run-off.
 - C.** Maul Electric, Inc. will properly segregate waste materials to ensure opportunities for reuse or recycling.
 - D.** All Maul Electric, Inc. employees will be instructed on the proper disposal method for wastes. This will include general instruction on disposal of non-hazardous wastes, trash, and scrap materials. If wastes generated are classified as hazardous, employees will be trained to ensure proper disposal. This training will be conducted at the beginning of each shift and conducted by the supervisor.
- 2.** Waste management planning is continuously reviewed and revised at Maul Electric, Inc. to match increasing complexity of waste issues and sustainability standards. The solution too many waste management problems require the involvement of several participants/ authorities and coherent planning to help avoid the unnecessary duplication effort and thus benefits all participants to work together.
